

Drugs in liver cirrhosis – Health Base Foundation

Online guide to the safe use of over 300 drugs in patients with liver cirrhosis. Currently, the full website is only available in Dutch, although it is possible to view it using google translate within Chrome. An example of the website is available in English and there are plans to translate the Dutch website.

Drugs in liver cirrhosis English website: <https://www.drugsinlivercirrhosis.org/>

Geneesmiddelen bij levercirrose Nederlandse website: <https://www.geneesmiddelenbijlevercirrose.nl/>

The methods and a summary of the advice in English have been published.
